HOBBIES

*Dr. Sreekumar Vadamkappat is the International Author, Speaker and an ICF Certified Coach from India, Bangalore. He is a Business Transformation Coach and been in the Coaching Field for more than 15 years. His forte is in doubling the sales turnover within six months without adding any resources! His tremendous work in transforming businesses made him the recipient of **Honorary Doctorate** in Business Leadership & Coaching with specialisation in Organization Transformation.*

*He works closely with his clients especially on sales revenue and business growth. He strongly believes that high degree cash-flow capability through sales is more important before going for scaling or funding! He enables and enhance his coachees ability in creating incredible business results through connection, conviction and right direction! He could easily ignite, initiate and install one's bio-energy through his unique **3-Dimensional Approach** (Space, Energy, and Time) to manifest the desired business results! His latest technique **Business Yogi® HABIT-Y NOTE** (Health And Business Improvement Techniques - Yogic way - Need Of This Era) is a unique combination of business & spirituality encompassing simple yogic practices that culminates in achieving business goals!*

*To understand more, we invite you to read his **Amazon Best Seller** Book **BUSINESS YOGI® NO BUSINESS FAILS!***
